Keeping Kids Safe

At the YMCA of Saskatoon, we take child protection very seriously. Every visitor to one of our facilities must produce photo ID, a valid membership card or authorized parent pass every time they visit.

Children 10 years old and younger must be attending a registered YMCA program or be under the direct supervision of a parent/adult guardian.

Financial Assistance

At the YMCA of Saskatoon, we offer opportunities to all individuals regardless of economic circumstance. Our Financial Assistance program serves those families who have the greatest need in our community. Applications for assistance may be filled out at the time of registration.
